ROC No.198/2009-DII(B), dated:19.12.2009.

ORDER:-

In the reference read above, the Registrar(Management), Andhra Pradesh High Court, has stated that the Chief Justice Conference was held on 14th and 15th August 2009, at New Delhi and the following resolution has been passed:

“The Chief Justice of the High Courts shall take up the matter with the State Governments on the aspect of supply of electricity to subordinate courts during working hours and to impress upon the State Governments to ensure that no power cuts be allowed during courts working hours and generator sets as back-up supply for electricity, be installed in the court complexes, especially in rural areas having acute power shortage. In order to ascertain the areas in the States facing acute power shortage, the Chief Justices of the High Courts will submit a proposal to the State Governments after receiving a report in the regard from the Judge in-charge of the District concerned”

2. The Registrar (Management) has also stated that the High Court has called for proposals & estimates for providing Generators from the Unit Heads. Accordingly, the Unit Heads submitted proposals & estimates for Rs.11,39,92,500/- and the High Court recommended the proposal and send it to Government for according administrative sanction for Rs.11,39,92,500/- for providing Generators to the Subordinate Courts in the State as per the resolution passed in the Chief Justices Conference held during the month of August, 2009. In this connection, the Registrar(Management) has stated that the funds of Rs.6,05,00,000/- under Maintenance Grant during the year 2009-10 is hardly sufficient to meet the requirements of maintenance of High Court buildings, residential bungalows of Hon'ble Judges, Subordinate Court building and residential quarters of the Judicial Officers in the State. Further, the Government Maternity Hospital was handed over to the High Court by the Medical Department, that some of the sections were already shifted to the Hospital building by making necessary improvements within the said grant provided by the Government in the year 2009-10. As such, there is no Budget available under Maintenance Grant for providing Generators during the year 2009-10. Government have to provide separate funds for the said purpose.
